### MERRY COWBOY CHRISTMAS!

Sure hope this finds you all happy and healthy and rarin' to go this weekend at Five Dogs Creek. May be a little wint'ry so dress up like Frosty the Cowboy Snowman....

Did anyone have fun at the She Bang last month? I surely did; shot like a dummy but had more fun than when ... well, you know. Thank you to all those who stayed up nights dreaming up those incredible scenarios and making them work. The Side matches added some flavor - Wild Bunch congrats to Gus Ashcroft Traditional, Badmann Bob in Modern. Then in Military Bolt Action Long Range Hennesey Hayes took the honors. The potluck topped off Saturday's competition with yummy food and plenty of fun. Chama Bill bested us in the match on Saturday - and yes, you guessed it... "her" Sinful on Sunday. Lots of interesting stages with giggles all around JOB WELL DONE.

Have been running pretty fast lately but haven't heard a lot of news except for us to wish Little Fawn a Happy Wedding day tomorrow, December 1<sup>st</sup>. Congratulations and Best Wishes from all your pards!

The Toys for Tots shoot at Three Fingers' Saloon last Saturday corralled around 135 toys for those who might not have had 'em. Great friends and great shootin' .. Congrats to that Sinful guy again in the match and wonder of wonders I didn't ruin the Team Match for pards El Lazo and Hoss! We got to be the winners and I am soooo excited. The Badmann captured the Pistol Elimator..then mother nature rained us all into Filthy Lucre's Gun Shop. Alls well that ends well and thank you Russ n Sandy!

## MEMOS FROM OUR MAYOR, MAD DRAPER

Howdy All,

First I would like to thank all the ladies of 5 Dog for putting on a really fun match last month. I would also like to thank Raspberry Hayes and Merry Meg for bringing all the pieces together, the great attendance at the match is a sign that the Shebang has becoming a match not to be missed.

For those of you that were not there last month Even Dozen Outlaw (Dave Cooper) took a job in Idaho. The last I talked to him the job was great and he loves Idaho, a bit cold but he says it's a great place to live. The sad part is he has to be a resident of Idaho for I believe six months before he can get his fishing or hunting license. It must be a lot like being a kid with empty pockets standing in a candy store. 5 Dogs Creek and I will miss him a lot; I would also like to thank him for all the help he gave me and everything he has done over the years for our club. You will be missed!

Thank You, Mad Dog Draper

## AND A WORD FROM OUR SHERIFF...

**Twas just before Christmas, when your thoughts ran out,  
Not an idea is stirring, and you're full of doubt.  
The stockings are hung by the chimney with care,  
But what, oh what, will you find to put in there?**

**The cowboys and cowgirls are snug in their beds,  
While visions of 5 Dogs danced in their heads.  
The shooting, the vendors, all the fun to be had,  
Give the gift that will make them oh so glad.**

**Imagine the sparkle in their eyes that appears,  
When you give them 5 Dogs, not tiny reindeers.  
Look at the calendar and quick make your play,  
Bakersfield it is for shootin' in May.**

**Give the gift that promises memories and more,  
Plus you get credit for brilliance galore!  
You'll hear them exclaim before the night gets late,  
Merry Christmas to all, and be sure to shoot straight.**

**Just in time for those post Black Friday blues. Registration for the 2011 Shootout at 5 Dogs Creek – California State Championship is now available...and is the perfect holiday gift for a loved one or friend. No worries about the wrong size or caliber. No added holiday calories.
